Where can I read more about the BTLC program?

Describes the BTLC program mission and invites others to join us in thinking together about teacher leadership.

Includes reprints of BTLC materials and identifies the BTLC Program as a featured example of teacher leadership development.

Features a profile of our program as "an initiative to change teaching into a differentiated profession."

Describes four school leadership conditions that emerged as critical from our program data and offers links to free, downloadable “Leadership Discussion Guides.”

Employs an analysis of three established leadership development programs for teachers as the foundation for a critique of the Teacher Leader Model Standards.

*Describes the system of data routines employed by the BTLC program to improve program quality and impact and to develop new knowledge and tools in service of teacher leadership.*

*Provides an overview of the origins and design of the BTLC program.*
